BRAMBLE & BATH

MOBILE DOG GROOMING · FRASER VALLEY

Before your dog's groom

A few little things to make your visit smooth and easy.

01 **A quick walk first**

Please walk your dog before I arrive, so they're ready to settle in.

02 **Room for the van**

I need about 7 metres of flat space to park and work safely.

03 **Water and power are covered**

I bring my own warm water and power. You don't need to supply either.

04 **Tell me about matting**

Please let me know ahead of time if your dog has any mats or tangles.

05 **Easy payment**

You can pay by tap or e-transfer.

06 **Need to move your visit?**

Please give me at least 24 hours' notice to reschedule.

Thanks for helping make grooming day a good one!
